Mohave Wireless Welcomes Mike Schwartz to the Staff

30 October 2007, Kingman, AZ – Mohave Wireless’ new Network Manager, Mike Schwartz, brings over 25 years of experience in the communication industry to the position, most recently from VCOMM as special consultant to the Chairman. As Network Manager at Mohave Wireless, Schwartz’ new duties include overseeing all technical aspects of the entire network. He has a BBA Degree in Marketing from Adelphi University in Garden City, NY and brings additional on-the-job experiences from a career starting in the early 70s and encompassing positions in companies around the world, including PCS One, Sunbeach-Barbados, British Telecom and Motorola UK.

“Mike has a long history of successful communication network management experience, we are proud to have him on staff,” said James Moak, Mohave Wireless General Manager. **“He truly brings a wealth of knowledge to our operation that is going to take our existing competent network to a new level of excellence.”**

Schwartz and his wife, Jean, recently moved from New Jersey and now call Kingman their home.
