

For Immediate Release

Mohave Wireless Welcomes Song Shin to the Staff

2 August 2007, Kingman, AZ – Mohave Wireless' new Operations Manager, Song Shin, brings over seven years of experience in wireless communications to the position, most recently from Sentori, Inc., a billing software vendor. Shin's new duties as Operations Manager at Mohave Wireless include managing the day to day back office operations, billing and customer care, plus assisting with new project launches. He has a B.S. in Business Administration from Southeastern Oklahoma State University and brings additional on the job experiences from Western Wireless and Choice Wireless.

“We are pleased to have Song on board, he brings a wealth of knowledge and experience to a position that is ever-changing with new technology. He will be an asset to us as we continue to expand,” said James Moak, Mohave Wireless General Manager.

Shin and his wife moved from Dallas, Texas and now call Kingman their home.
